Crash du Catalina Bu-48289 le 11/01/1945 à Glomel (22)

Origine : Revue Catalina News

One of the sheds at Glomel with one wall made up entirely of Catalina components, at least some of which are from the internal wing structure Charles Street

One of the sheds at Glomel in France partly made from Catalina components. The US 'star and bar' insignia looks as if it was originally from the forward section of the hull Charles Street
